

SKETCHES

INVENTOR'S LOG

NAME

ADDRESS

CITY/TOWN

SCHOOL

PHONE

Print as two double-sided sheets and fold

INVENTION IDEAS

List your invention ideas and include dates.

SKETCHES

THINKING IT OVER

Think about how you made your invention. What new skills did you need to learn?

What changes did you make in your original plan?

Who helped you and what did they do?

Where did you find your materials?

What sources of information were helpful?

How did you test your invention?

STEPS

Be sure to write down everything you did and the date you did each thing.

STEPS

MATERIALS & EXPENSES

List all the materials you used in developing your invention. Tell how much each item cost. If you borrowed an item, write down where you got it and how.
